

THE POWER OF... TOP ONLINE DIRECTORIES 2017

Why List Your Business On Online Directories?

There are literally hundreds of online directories available on the internet. These directories are designed to help online users locate the websites and information they are looking for.

They are also a great way to help businesses increase their Internet traffic and improve customer recognition.

What Local Directories Do

There are many reasons why a small business will want to register with the top directories on the web. Directories serve many purposes, such as:

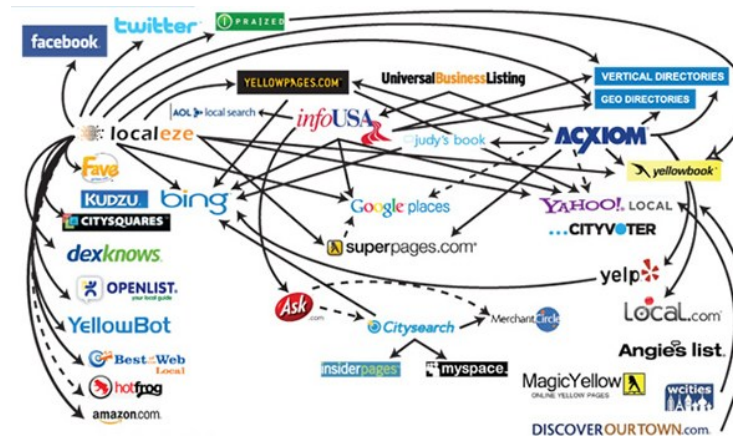

- **Categorizing websites** so that they are easily found using search engines.
- **Linking websites** to one another for easier access.
- **Increasing traffic** to individual websites.
- Providing an easy way for consumers to find out about **specific companies**.
- **Boosting Search Engine Optimization** (SEO) keywords and tactics for businesses so that they receive higher SERPs (search engine result pages) rankings.
- Helping business websites **stand out** to potential consumers.

Benefits of Listing Your Business

Getting your small business registered in the top online directories can result in the following (results may vary and are not guaranteed):

- Increased **website traffic**
- Increased **sales/revenue**
- Increased **SERP rankings**
- More **reciprocal links** to your website
- Greater **brand recognition**
- **More interactions** with customers
- The **ability to share** deals, promotions, press releases and other special events with customers.
- A better and more **comprehensive online appearance**

The Top Online Directories

In order to gain the most out of your business's website and other online materials you will want to sign your company up for listings in the following online directories:

- Google My Business
- Yahoo! Aabaco Small Business
- Bing Places for Business
- Yelp
- MerchantCircle
- Yellow Pages.com
- Superpages.com
- CitySearch
- MapQuest/Yext

- Local.com
- Foursquare
- LinkedIn
- Angie's List.com
- Manta
- Kudzu
- **BONUS!** Facebook Page

Before You Get Started

If you follow the steps, you can use this presentation to get your business listed in all of the top online directories.

However, it can be time consuming. So if you decide that you would rather have a professional – someone who specializes in this stuff – do it for you, please do not hesitate to contact us.

Google My Business

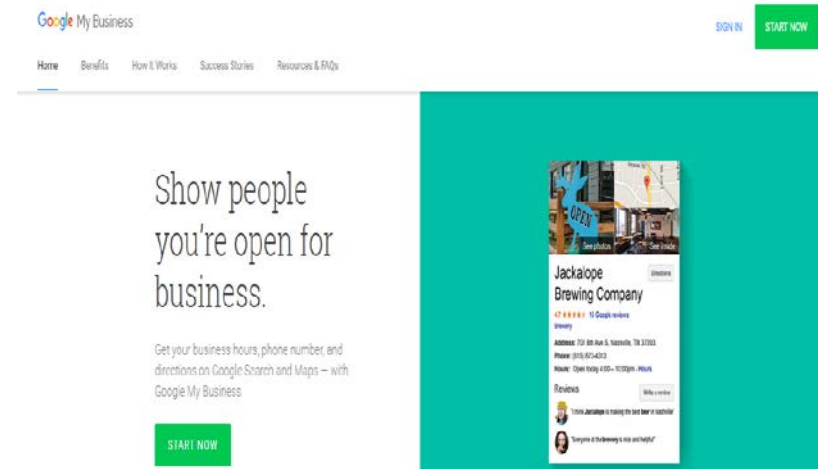

Google My Business is a free local platform directory service provided by Google. It allows your business to appear on Google's maps and search engine result pages. It allows to you better interact with your customers.

Google My Business allows you to:

- Manage the information Google users see about your business
- Interact with customers
- Understand your online presence, so you can expand when needed
- Go mobile

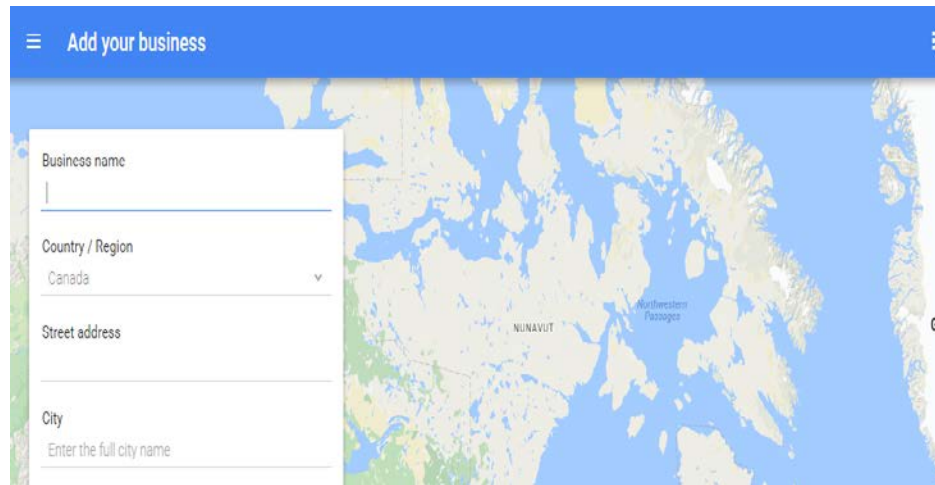

Google My Business is free to use.

To submit your business listing to **Google My Business** start by going to <https://www.google.com/business/> . Once there click on the 'Start Now' button.

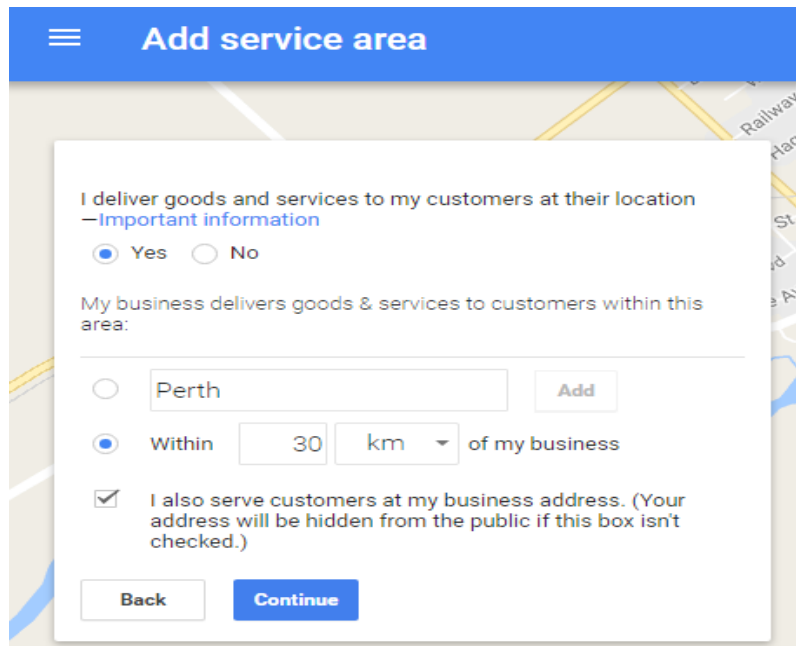

Steps to Submitting Your Business on Google

Step 1- You'll first be taken to a page showing a map of the globe. To the side you'll see information fields to fill out about your business

The screenshot shows the 'Add your business' interface. On the right is a map of the world. On the left is a form with the following fields:

- Business name:
- Country / Region:
- Street address:
- City:

The screenshot shows the 'Add service area' interface. At the top is a blue header with a menu icon and the text 'Add service area'. Below this is a map background. A white form is overlaid with the following content:

I deliver goods and services to my customers at their location
—Important information

☒ Yes ☐ No

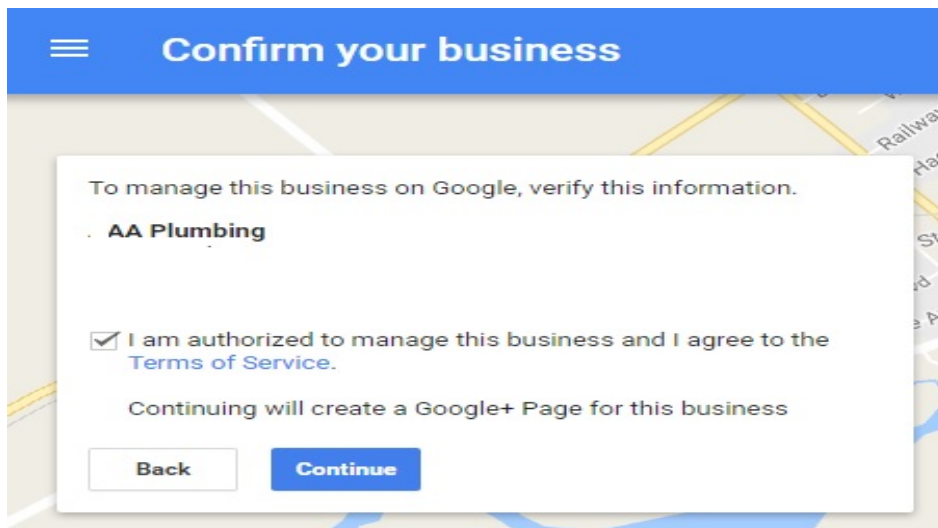

My business delivers goods & services to customers within this area:

☐

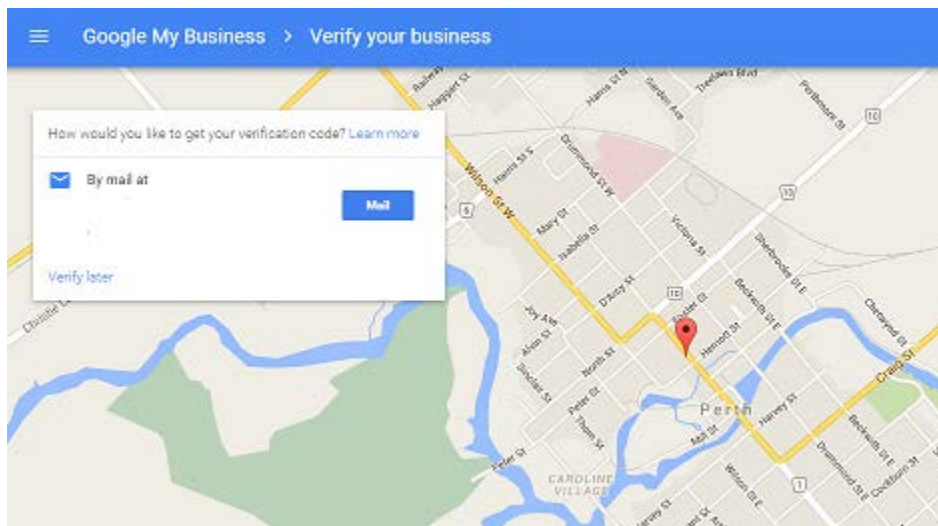

☒ Within of my business

☒ I also serve customers at my business address. (Your address will be hidden from the public if this box isn't checked.)

Step 2 – Add a service area. This is especially important for businesses that deliver goods and/or services to their customers.

Step 3 - Confirm your business. This is simply reading through the information you've provided to ensure it's accurate, and to remind you to read through the Terms of Service.

Step 4 - Verify your business by mail so that Google can verify you as a real and actual business. Once verified, you will receive your PIN number you can activate your **Google My Business** account on **Google's Dashboard** site.

Once you activate your Google My Business account your customers will be able to **read your company profile and locate your business** on the map. They will also be able to find promotions, deals and more.

Aabaco Small Business

The **Aabaco Small Business**, formerly **Yahoo! Local Directory**, will get your business listed on LocalWorks, one of the most popular search websites on the internet. On the home page they state that they're the "same team, different name." Getting your business on Aabaco local listings will vastly increase your online presence however, a business listing costs **\$29.99/month**.

To submit your business listing to Aabaco Local Listings go to:

<https://www.aabacosmallbusiness.com/local-listings> and enter your business' name before clicking on "Find".

The screenshot shows the Aabaco Small Business website. At the top, the 'YAHOO!' logo is followed by 'Aabaco Small Business'. Navigation links include 'Website Hosting', 'Sell Online', 'Local Marketing', 'Commerce Central', 'Domains', 'Business Mail', and 'Advisor'. An 'Access your account' button is on the right. Below the navigation, a message states: 'Existing Yahoo Small Business customers set up your Aabaco account'. The main banner features the text 'Do more for your business listing with Localworks' and 'Start by finding your business:'. Below this is a search form with a text input labeled 'Business name:' and an orange 'Find' button. At the bottom left, the 'Localworks' logo is displayed with the text 'Get your business listing on Yahoo, Google, Yelp, WhitePages, Bing, MapQuest, Superpages, and more!'. To the right, a section titled 'With Localworks you can...' includes icons for a location pin, a star, and a checkmark.

Steps to Submitting a Directory Request to Aabaco Small Business

Step 1- Verify your business by providing some basic information about it.

Step 2- Aabaco will “scan and fix” your listing, meaning the software will look for errors including a confusing name or phone number, and will fix them across all local listings.

The screenshot shows the 'Verify' step of the Aabaco Small Business setup process. At the top, the Yahoo! Aabaco Small Business logo is on the left, and navigation links for 'website hosting', 'sell online', 'local marketing', 'commerce central', 'domains', 'business mail', and 'advisor' are on the right. A button labeled 'Access your account' is in the top right corner. Below the navigation bar, a teal banner displays a progress bar with three steps: 'Verify' (active), 'Scan and fix', and 'Checkout'. The main heading is 'Verify your business information'. Under 'Business Info', there is a text input field for 'Business Name' with a placeholder 'Please confirm or correct the listed business information.' Below this is a 'Address' section with a text input field and a note: 'You can add additional information such as alternate locations of operating, where your employees work, etc.' The 'City' field is a text input, and the 'State' field is a dropdown menu currently showing 'W'. The 'Zip' field is a text input. A 'Phone' field is at the bottom with a placeholder 'Enter your phone number'.

The screenshot shows the 'Scan and fix' step of the Aabaco Small Business setup process. The layout is identical to the previous step, with the same navigation bar and progress bar. The progress bar now shows 'Verify' as completed and 'Scan and fix' as the active step. The main heading is 'We scan other listings of your business across the web'. Below this, the 'Scan results' section displays '186 Errors found' in large red text. To the right, it shows '62/62 Site with error / Sites scanned'. Below the error count, there are three circular icons with red 'X' marks, each representing a different type of error: 'Name errors Potentially confusing', 'Address errors Potentially misleading', and 'Phone errors Creating disconnect'.

Yelp

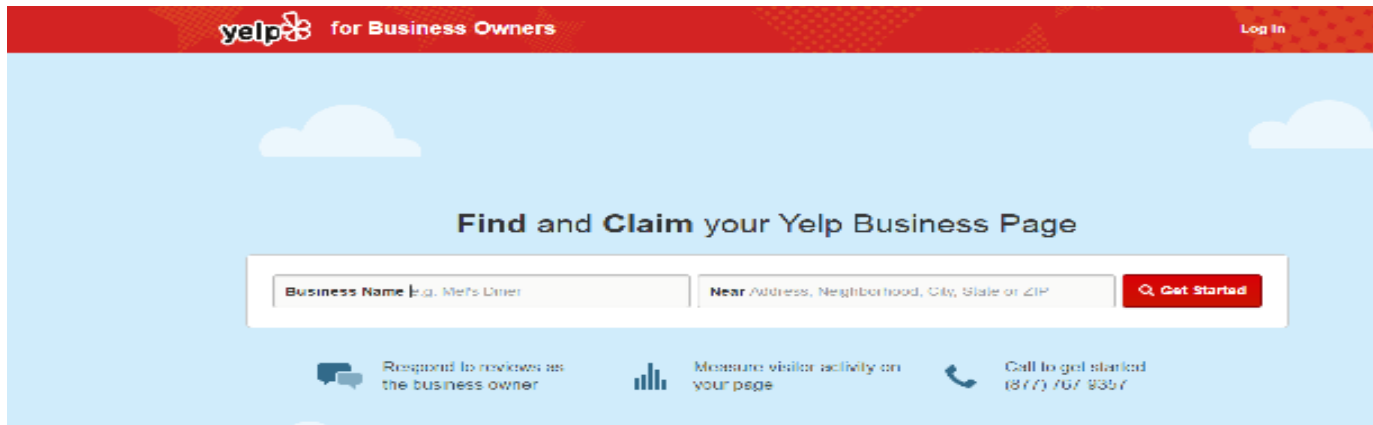

Yelp is a local internet business directory that allows your business to grab the attention of local customers.

Yelp also provides a place for customers to upload reviews of your business. It is free to sign up with **Yelp**.

To get your business onto Yelp local start by going to:

<https://biz.yelp.com/>

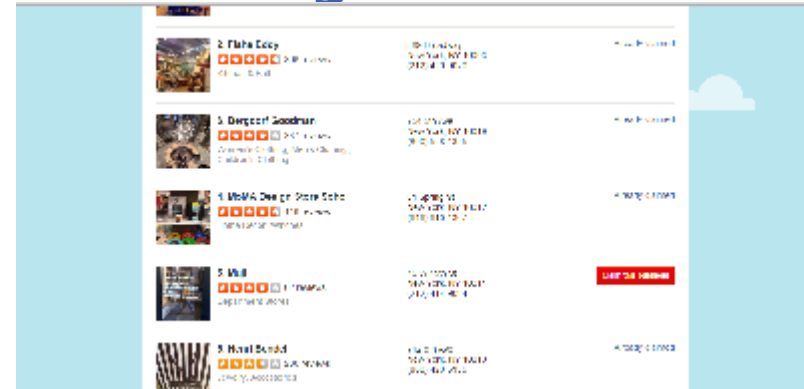

Step 1- Like many other directories, you'll need to start by trying to find your business.

The screenshot shows the 'Yelp for Business Owners' sign-up page. The header is red with the Yelp logo and 'for Business Owners' text, and a 'Log In' link. The main content area has a light blue background with clouds. The heading 'Find and Claim your Yelp Business Page' is centered. Below it is a search form with two input fields: 'Business Name (e.g. Me's Diner)' and 'Near Address, Neighborhood, City, State or ZIP'. A red 'Get Started' button is to the right of the second field. At the bottom, there are three icons with text: a speech bubble for 'Respond to reviews as the business owner', a bar chart for 'Measure visitor activity on your page', and a phone icon for 'Call to get started (877) 767-8357'.

Steps to Sign Up for the Yelp Directory

Step 2- Once you've entered some basic information, Yelp will provide you with possible matches that have either already been claimed, or that are available to claim.

Step 3- If none of the businesses listed are yours, scroll to the bottom of the page to add your business.

Citysearch

Citysearch offers its users information about businesses in specific cities. It provides contact information, local maps, directions and reviews about local businesses, which helps consumers choose a business they may wish to use in a new city.

Getting your business onto **Citysearch's** online directory makes it easy for anyone traveling to your location to find your business.

To register to advertise your business on **Citysearch** go to:

https://signup.citygrid.com/cyb/find_business

The screenshot shows the 'Find Your Business' registration page. At the top, there are three tabs: 'FIND YOUR BUSINESS' (highlighted in orange), 'CREATE YOUR ACCOUNT', and 'VERIFY'. The main heading is 'Claim your Citysearch profile for free!'. Below this, there are three bullet points with green checkmarks: 'Add photos, a welcome message, and business hours', 'Win new customers with a special offer or deal', and 'Enhance and update your profile anytime'. On the right side, there is a 'Find Your Business' section with two input fields: 'Business Name or Category' and 'City or Zip'. A green 'Find My Business' button is next to the 'City or Zip' field. Below the input fields, it says 'No businesses found. Please try a different search term.'.

Step 1- Fill in your business name and city or zip code. Then click 'Find My Business'.

Local.com

Local.com is another locally-based online directory that is available for free to businesses. **Local.com** helps customers find local businesses as well as deals and advertisements.

To get your business listed on Local.com start by going to <https://advertise.local.com/>.

Then just start filling out the form with all of your business' information and click on **'Next'** when finished.

The screenshot shows the 'Create your Free Business Listing' page on Local.com. At the top, there's a navigation bar with three steps: '1 Create Business Listing' (active), '2 Create Profile Page', and '3 Confirm & Submit'. Below the navigation bar, the heading 'Create your Free Business Listing' is followed by a disclaimer: 'Please note: Local.com has no control over the content of the listings and is not responsible for any inaccuracies or omissions. Local.com is not a search engine and does not guarantee the accuracy of the information provided. Local.com is not a search engine and does not guarantee the accuracy of the information provided.' The form is divided into two main sections: 'Business Info' and 'Listing Preview'. The 'Business Info' section contains fields for 'Business Name', 'Address', 'City/State/Zip', 'Phone', 'Email', and 'Website'. The 'Listing Preview' section shows a preview of the business listing with the same information. Below the preview, there's a blue box titled 'Get Premium Listing Results' with the text: 'Used on more than 100 million websites with the highest possible placement. PLUS get your business listed on major search engines.' At the bottom, there are two checkboxes: 'I listed on top of the search results' and 'Listing published on major search engines like Google, Bing, Yahoo, etc.'

Foursquare for Business

Foursquare is an innovative online social directory for mobile devices. It allows online users to locate local venues and businesses while they are on the go. Creating a **Foursquare** account will increase your business's online presence and allow customers to find you on the go.

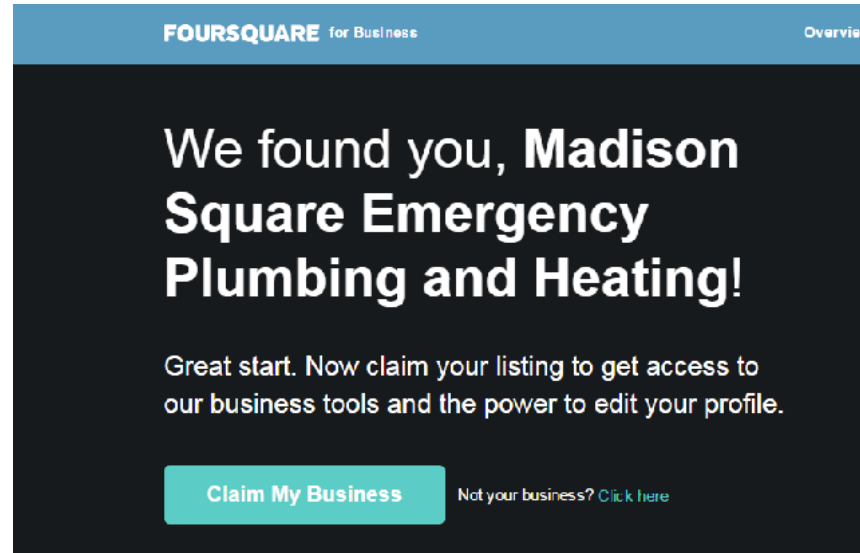

To get started go to: <http://business.foursquare.com/> and enter your business' name and location before clicking '**Search**' to claim your listing. **There is a small one-time fee for joining Foursquare.**

The screenshot shows the Foursquare for Business website. The header is blue with the text "FOURSQUARE for Business" on the left and navigation links "Overview", "Your Listing", "Promote", "Discover", and a "Login" button on the right. The main content area has a dark background with the text "Hi, we're Foursquare. We help people discover your business." followed by "Search for your business on Foursquare." Below this is a search form with two input fields: "Business Name" and "City, State/Country" with a location pin icon. To the right of these fields is a teal "Search" button with a magnifying glass icon. At the bottom, there is a link "Ready to claim your listing? Get started now" and a series of five dots with the first one highlighted, and a downward arrow.

Steps to Setting Up a Foursquare Business Account

Step 1- Foursquare will find related businesses, and possibly your business. If the business the site finds is yours, click on **'Claim My Business'**. If it's not (which it likely won't be if this is the first time you've created the listing, click on **'Not your business? Click here'**.

Okay, let's try that again.

[Ready to claim your listing? Get started now](#)

Step 2- Foursquare will ask you to try again. To create a new listing at this point, click on **'Get started now'**.

Step 3- Search again for your business, using the business name and its location.
